black - cargo and mechanical interface
red - electrical power
green - propellant (xenon)
dashed red - thermal
dashed dark blue - commands and data
dotted purple - radio link
Ground Segment
Monitor and command transport ACT-13
Plan end-of-life disposal ACT-14
TT&C uplink CE-14
TT&C downlink CE-15
Cislunar Cargo Tug
Electrical power (PWR)
Generate electrical power SF-03.5
Store and distribute electrical power SF-03.6
Discharge and isolate batteries LF-06
Power commands CE-05
Command and data handling (CDH)
Collect and format telemetry LF-03
Validate and route commands LF-02
Manage modes and failures SF-03.9
Perform disposal manoeuvre SF-07.1
Telemetry frames CE-09
Received messages CE-08
Communications (COMMS)
Receive radio messages LF-01
Transmit telemetry LF-04
Sun
Provide sunlight
Sunlight CE-20
Propulsion commands CE-04
GNC commands CE-06
High-power bus CE-01
Electric propulsion (PROP)
Generate thrust SF-03.1
Vent residual propellant LF-05
Store and feed propellant SF-03.2
Provide proximity thrust LF-09
Thrust commands CE-03
Guidance, navigation and control (GNC)
Determine orbit and attitude SF-03.3
Control trajectory and attitude SF-03.4
Perform rendezvous and proximity navigation SF-03.10
Thermal control (TCS)
Control temperatures and reject heat LF-07
Thermal interface CE-10
Lunar Orbit Destination
Proximity link CE-16
Clear approach and docking ACT-15
Propellant Module
Supply propellant in orbit ACT-18
Xenon coupling CE-13
Xenon transfer line CE-02
Proximity state CE-07
Docking and refuelling interface (DRI)
Capture cargo in Earth staging orbit SF-01
Receive propellant in orbit SF-02
Collect return cargo SF-05
Launch Vehicle
Launch cargo and propellant to staging orbit ACT-04
Cargo and module stack CE-12
Cargo delivery CE-17
Receive delivered cargo ACT-16
Structure and mechanisms (STR)
Carry loads and interface with the launcher LF-08
Launch adapter CE-11
Hand over cargo at lunar destination SF-04
Hand over return cargo in Earth orbit SF-06
Return cargo CE-18
Provide return cargo ACT-17
Returned cargo CE-19
Cargo Customer
Receive returned cargo ACT-03
